Attestation

On 3 April 2019, Eurofins Product Testing A/S received a sample of flooring with the product name:

BOSCHI DI FIEMME – ROVERE COLORATO

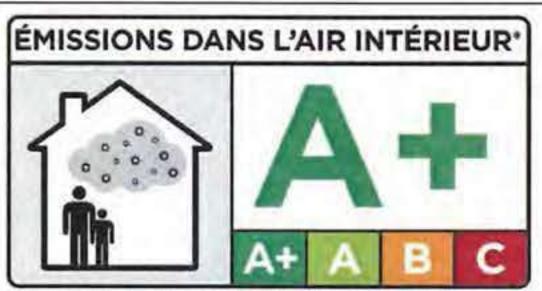

supplied by

Fiemme 3000 - DKZ Srl

The product was tested for VOC emissions according to the requirements of the French legislation (order of April 2011) concerning the labeling of construction products or coverings of walls or floors and paint and varnishes on their emissions of volatiles pollutants.

Sampling, testing and evaluation were performed according to ISO 16000 in its latest versions, see test report no. 392-2019-00134101_A_EN.

In accordance with legislative requirements, the test results can be summarized as follows:

Information sur le niveau d'émission de aubstances inteties dans l'air intérieu présentant un risque de toxicité par inhafation, sur une échelle de classe affant de A+ (tre faiblez émissions) à C (fortes émissions).

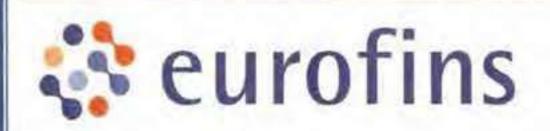

The product was assigned a VOC emission class without taking into account the measurement uncertainty associated with the result. As specified in French Decree no. 2011-321 of March 23, 2011, correct assignment of the VOC emission class is the sole responsibility of the party responsible for distribution of the product in the French market.

Confirmation

LEED

On 3 April 2019, Eurofins Product Testing A/S received a sample of flooring with the product name:

BOSCHI DI FIEMME - ROVERE COLORATO

supplied by

Fiemme 3000 - DKZ Srl

The sample was supplied as being representative of the manufactured product, and it has been tested in accordance with the relevant ISO 16000 and EN 16516 testing standards (See test report no. 392-2019-00134101_A_EN).

The test results of the tested product indicate that the product qualifies for LEED v4 specifications on VOC emissions by complying with:

VOC emissions specifications in LEED EQ credit "Low-emitting products":

The requirements of Indoor Air Comfort GOLD version 6.0 (February 2017).
